RAPID PLATE Magnetic Wear Plate Fastening System

MAGNETIC PLATE

Magnetic Plate is a highly efficient method of wear plate attachment. This product combines powerful magnetic elements in flexible elastomeric compounds. Magnetic Plate offers a quick, clean and safe method to attach wear plate.

Available in three models:

- 1) Standard
- 2) High Impact
- 3) Wet Application

- Maintenance free permanent magnetic power
- Fast change out, eliminating welding, gouging and grinding
- Prevention of weld crystallization
- Noise and vibration dampening
- Custom designs available to meet specific applications

For guidance on suitability for the intended purpose and installation instructions please contact us with your specific requirements.
